

## About BroadVoice

BroadVoice is the leading provider of high quality, feature-rich broadband phone services to consumers and businesses. BroadVoice VoIP phone service allows thousands of customers in the United States and more than 120 other countries to use their broadband Internet connection to make and receive phone calls anywhere in the world. Customers benefit from unlimited domestic and international calling and a suite of 25 basic and advanced features for one low monthly price. Founded in December 2003, BroadVoice is privately held and based in Billerica, MA. For additional information please visit [www.broadvoice.com](http://www.broadvoice.com).
